

# Compass Control for OPL. Precision and simplicity.

## Compass Control

- ◆ Turn the knob until the desired program is shown on the display.
- ◆ Close door, push button and washer starts automatically.
- ◆ Easy to operate and service.

### Easy reading

Large, easy to read display is even visible in direct sunlight. Twelve language options.

### One knob does it all

Ergonomic design makes program selection quick and easy. Just scroll, select and start.

## Quick guide to Compass Control

- ◆ Compass Control replaces the Selecta Control (S 20) on all models except the W and EXSM series.
- ◆ Offers the ease of operation of the Classic Control (electromechanical) with the programmability and sophistication of the Clarus Control (microprocessor).
- ◆ Large blue display with numerous language and information options.

## Features and benefits

- ◆ Total of 30 popular built-in programs: 15 Hospitality (hotels) and 15 Healthcare.
- ◆ Ability to customize any of the 30 programs on-site for any customer's application.
- ◆ Fully programmable using optional Wash Program Manager software.
- ◆ Statistical data including program usage, service intervals and diagnostics.
